1. The following is an examiner's statement of reasons for allowance: The reason for allowance is the detection of overlapping flat mailpieces by measuring the speed of the transported mailpieces and evaluating the measured speed against a nominal speed of the transport stages to detect an overlap if the measured speeds of two sensors are different by a defined value.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to David H. Bollinger at telephone number 571-272-6935.
